New Tech High

Bloomington New Technology High School has become a reality! On October 22nd, you will have the opportunity to meet the staff of Bloomington's newest high school. Principal, Alan Veach, will be joined by Steve Bryant for a presentation on how this new school will educate our students differently and prepare them for success in a 21st Century community. Breakout sessions will be led by the faculty of Bloomington New Tech High School and will address the following:

**What is Project Based Learning?
Is New Tech High School for me?
Extracurriculars, Schedules and Logistics**

Bloomington New Technology High School will open its doors to the first class of innovative learners in August of 2008. Whether you are a student, a parent, or a community member, we invite you to join us for this important conversation about an exciting new option for high school education in Bloomington.

Refreshments will follow and childcare will be provided.
