

# THE FOUNDATION OF MONROE COUNTY COMMUNITY SCHOOLS

IS PLEASED TO PRESENT  
A Town Hall Meeting

## *EDUCATING OUR CHILDREN IN AND FOR THE 21ST CENTURY*

The Next Step in a Critical Community Conversation

**T**ransforming and changing public education to support success in the 21<sup>st</sup> Century will require an act of community. This town hall meeting will allow *our community* to begin discussing the future of education locally and the role we each must play in preparing our students for success in a changing and uncertain world. Our panelists, representing a cross section of our community, will answer and discuss questions from the audience on topics of relevance to us all. Chuck Carney, News Director at WTIU, will moderate the discussion and Dr. John Maloy, Superintendent of MCCSC, will provide welcoming comments.

Please plan to attend this important event as the greater Bloomington community begins to collectively explore our expectations for education in the 21<sup>st</sup> Century.
